2011 Women of Dedication

GLADYS KOHN

While serving on the health committee of Soroptimist International, Gladys saw a need to educate women on health issues so she, with a few others, founded the Doris A. Howell Foundation for Women's Health Research. And, for the past five years she's been the Treasurer of the Foundation and has been a board member for 16 years.

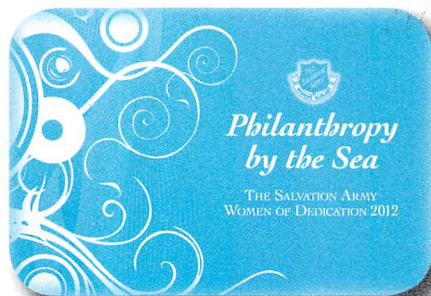

The Doris Howell Foundation has awarded more than 150 research grants to students at UCSD, SDSU and USD.

Gladys has been a Board member of the La Jolla Historical Society for 13 years and in 2010 she was the chairman of their major annual fundraiser, the Secret Garden Tour.

A long-time member of Soroptimist International of La Jolla, Gladys has served in many capacities including that of President. In 2002, she received the Soroptimist of the Year Award.

Gladys and her husband of 50 years, Bert, reside in La Jolla.
